Publishable abstract		A networking event was organised on 12 January 2017 to present the FLAG-ERA Joint Transnational Call (JTC) 2017 to the research community. About 50 researchers attended in person and the event was webcasted.		
Keywords		Joint Transnational Call, networking event		

Introduction

This document gathers information about the JTC2017 networking event. Most information (including the agenda and presentations) is available on the event web page:

https://www.flagera.eu/flag-era-calls/jtc-2017/information-and-networking-day/

The agenda is also provided on the following page for the sake of convenience.

About 50 researchers participated to the event in person. A majority of them were from Spain and 12 were from 7 other countries. Six Flagship representatives (4 from the Graphene Flagship, 2 from HBP) and 14 funding organisation representatives from 7 countries also attended. The event was also webcasted.

FLAG-ERA JTC 2017 information day
